Rebecca Shambaugh understands how to succeed in this brave new era. She shares her compelling business insights, masterful storytelling and proven concepts in keynote speeches and executive seminars to audiences worldwide.

Rebecca calls for replacing outdated mindsets and thinking with Collaborative Leadership. An Integrated Leadership approach combines the broader spectrum of human talent and intelligence, the strengths of both genders, and support and advocacy from the organization itself.

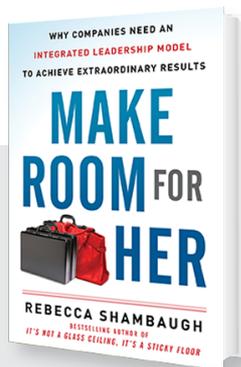

Rebecca provides a roadmap for organizations that want to succeed, based on her work with companies, leaders and their teams on how they can create and leverage diversity and innovation. She engages audiences in helping them find a winning strategy that drives greater levels of innovation, growth, and profitability while creating the most powerful competitive advantage on the innovation front.

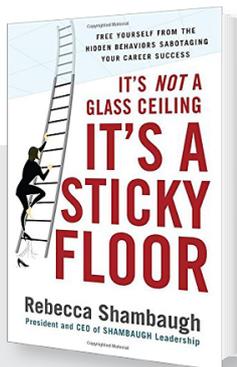

Rebecca is the author of three bestselling books that illustrate her unconventional and results-focused approach to creating great leaders:

Leadership Secrets of Hillary Clinton: Shambaugh's bestselling book looks at the topic of leadership in difficult times through the lens of one of our most well-known and powerful female leaders. Clearly, Clinton knows how to prosper despite—and even because of—challenges.

Make Room for Her: Why Companies Need an Integrated Leadership Model to Achieve Extraordinary Results: An impassioned argument for women's leadership to the level of the organization and changes the conversation regarding women in leadership to essential and timely action.

It's Not a Glass Ceiling, It's a Sticky Floor: Free Yourself From the Hidden Behaviors Sabotaging Your Career Success: A modern classic that offers women leaders practical strategies for increasing their impact, enhancing their overall confidence, and stepping into their own power.

"Rebecca's talk was excellent, very informative and engaging. This was the best talk I've attended at IBM. Not only was it informative but I will be utilizing Rebecca's concepts in my career planning." ~ Vice President, IBM

"The content Rebecca delivered coupled with her knowledge, experience and expertise was a home run. We could not have executed this without her." ~ Sales Executive, Marriott International
